THE NURSERY GUIDE.

NORDSTROM NURSERY CO. GALLITZIN, PENNA.

SPRING 1939

TRADE LIST

SEEDLINGS

JAPANESE RED PINE. An excellent rapid growing tree for mass planting and for Christmas tree plantations. May be sheared to any shape and forms a dense tree. Light green foliage.

2-4 inch seedlings. Per 100, \$1.00; Per 1000, \$5.00

4-6 inch seedlings. Per 100, \$1.25; Per 1000, \$6.00

AUSTRIAN PINE. Deep rich green foliage. Very hardy and withstands smoke and city atmosphere better than any other pine. Fairly rapid grower with heavy limbs and foliage.

2-4 inch seedlings. Per 100, \$1.25; Per 1000, \$7.00

NORWAY RED PINE. A rapid growing pine with deep green glossy foliage hardy and reliable anywhere.

2-4 inch seedlings. Per 100, \$1.25; Per 1000, \$6.00

RIGA SCOTCH PINE. A variety chosen for its straight growing habit otherwise similar to Scotch pine. Excellent rapid grower for forestry and Christmas tree plantations.

3-6 inch seedlings. Per 100 \$1.25; Per 1000, \$6.00

SCOTCH PINE. These trees are very rapid growers and best for Christmas trees or windbreaks. When grown in the open make fine ornamental trees. Characteristics of these vary with source of seed. We can furnish Scotch or German from high altitudes. Both are equally good as far as growth is concerned.

2-5 inch seedlings. Per 100, \$1.00; Per 1000, \$5.00

PONDEROSA PINE. A very fine ornamental tree, fairly rapid grower after well established. Very long needles in tufts. Branches are heavy and flexible and withstands heavy winds without breaking. Seed for these comes from high mountains of Colorado.

3-6 inch seedlings. Per 100, \$1.25; Per 1000, \$7.00

BANKS PINE. Fastest growing of all evergreens, short needles slightly curved. Can be sheared without damage. Makes excellent windbreaks and masses within a very short period. A poor, dry soil tree.

3-6 inch seedlings. Per 100, \$1.00; Per 1000, \$5.00

WHITE PINE. (Pinus strobus) The familiar white pine of the forests. Reliable for ornamental purposes or for christmas trees. Most in demand for christmas when available. Will stand shearing. Prefers good soil for good growth.

2-4 inch seedlings. Per 100, \$1.25; Per 1000, \$6.00

EUROPEAN LARCH. While not an evergreen it has all the appearance of one during the summer. A really beautiful sight in the spring and adds contrast to evergreen groups. Excellent for re-forestation.

3-6 inch seedlings. Per 100, \$1.25; Per 1000, \$7.00

6-8 inch seedlings. Per 100, \$1.50; Per 1000, \$8.00

CONCOLOR FIR. A rival of the blue spruce. Grayish blue foliage. Broadly pyramidal. Rather open when young but forms a compact tree of great beauty when older.

3-6 inch seedlings. Per 100, \$2.00; Per 1000, \$10.00

DOUGLASS FIR. Growth is compact and symmetrical. A very beautiful tree suitable for ornamental or christmas tree uses. Colorado type.

3-6 inch seedlings. Per 100, \$1.25

NORWAY SPRUCE. Seed of European sources that although somewhat slower growing makes a dense tree with dark green foliage and not yellowish-green. The greatest of all for christmas trees, forestry or for quick growing ornamentals.

2-5 inch seedlings. Per 100, \$1.25; Per 1000, \$6.00

COLORADO SPRUCE. Blue spruce comes from these although not all will be blue. We choose the best seed sources to obtain the highest percentage of blue trees.

3-5 inch seedlings. Per 100, \$2.25; Per 1000, \$8.00

4-6 inch seedlings. Per 100, \$1.25; Per 1000, \$10.00
6-8 inch seedlings. Per 100, \$1.50; Per 1000, \$12.00
8-12 inch seedlings. Per 100, \$1.75; Per 1000, \$15.00

8-12 inch transplants. Per 100, \$12.00

6-8 inch transplants. Per 100, \$6.00; Per 1000, \$40.00

6-8 inch Twice transplanted. Per 100, \$5.00; Per 1000, \$40.00

Each 4¢; 100 for \$3.50

No packing charges. Transportation paid by purchaser. Prices are net with order. If wanted by mail add 10¢ to each dollars worth ordered and unused balance. If any will be refunded. About 1000 average seedlings is the mailing limit. 25 sold at the 100 rate and 300 at the 1000 rate. Sizes given are a close average but may vary a little.

The following varieties will be furnished direct from beds as they come counted but not graded. Big and little. Quantity planters can save considerable by purchasing in this way. Sold in 1000 lots only.

Banks Pine.	2-8	inches	average.	\$4.00	per	1000
Scotch Pine.	2-5	inches	average.	\$4.00	per	1000
Riga Scotch Pine.	2-6	inches	average.	\$5.00	per	1000
Jap. Red Pine.	2-6	inches	average.	\$4.00	per	1000

Trouble in foreign countries the past seasons have made it extremely difficult to secure seed from the proper sources. Stock of the listed varieties are still plentiful but next year may be different. Plant while you still can do so cheaply.
